Work

Chick-fil-A

Kitchen Director (2019 – Present)

As a dedicated and experienced Kitchen Director at Chick-fil-A, I am adept at overseeing all aspects of kitchen operations to ensure a seamless and efficient culinary experience. With a strong focus on quality, consistency, and guest satisfaction, I strive to maintain the highest standards of food preparation, safety, and cleanliness.

Projects

E-Commerce Watch Store

A client hired me to build a Shopify store that connected to their database of products. My job was to design an aesthetic website to sell their watch collection and display their models photos. Website also included secure payments via PayPal or credit card, and account holding.

Local Car Detailing Website

A group of individuals hired me to build a website for their local car detailing business in Lubbock, TX. The website included the services that they offered, a cart to add “packages”, subscription models for those that wanted recurring cleanings, and a scheduling service to align the business and customer availabilities.
